

South Florida Bible College & Theological Seminary

**Please attach resume and unofficial transcripts.
Type or print all information clearly and submit copies of all materials to the student life office.**

Practicum/Internship Application

Before a student can take part in an internship offered by South Florida Bible College and Theological Seminary, they must gain approval of the individual faculty member overseeing their internship program. In the case that an outside host organization is involved, the student must provide all the documentable information prior to receiving approval by the SFBC faculty member overseeing the internship.
