SFBC&TS Ministry Model

- As an inter-denominational institution, *we educate the student in the various evangelical doctrines and let the churches indoctrinate.*
- *A key distinction about our program is our commitment to affordable education.* Our students can graduate debt free as they go into ministry. Many students come from at-risk populations and their lives are turned around by dedicated faculty and staff. The majority of our unique body of students come from low-income households and diverse international ethnic backgrounds (e.g. 55% African American, 11% Hispanic, 34% international).
- **Degree Programs:** Bachelor of Arts in Biblical Studies, Christian Counseling, Religious Education, Pastoral Ministry and Christian Business Management. Master of Arts in Biblical Studies and a Master of Divinity. Approximately 260 students are enrolled both on campus and through distance learning.
